237 Montrachet - Vintage 1978

Domaine de la Romanée Conti

vlbsl, hcuc, #001021 (Wines Located in Hong Kong)

"Next up was a most generous gift to all of us from Wolfgang, a 1978 DRC Montrachet, from Wolf's cellars. The wine had an amazing nose and was still possibly the best white wine I have ever had. Wolf's bottle was perfect, amazingly sweet and buttery in its nose with supporting honey, nut and oil. It was deep, long, fat and balanced and had big-time minerals. A botrytis debate developed between Bipin and Aubert about whether there was botrytis in the '78 or not. Bipin felt there was a touch in not only the '78 but also the '71, a claim which Aubert vehemently denied. Wolfgang changed the topic, admiring the '78 and finding it "like being wrapped in feathers." The palate was rich, mouth-filling, long and still young, and its acidity lingered in my belly for an incredible amount of time. There was a small tribute to Bipin by Wolf for introducing him to Burgundy a long time ago, which Wolf called "the epitome of pleasure." The Montrachet had great earth flavors and terroir, and that terroir of Montrachet was clearly evident. There was a touch of benevolent root vegetable flavors, and Wolf likened drinking this wine to a "hole in one - you need a witness." Bipin called the DRC Montrachet "the only white wine that can match the intensity of a red wine." The food made the acidity stand out even more and this was certainly a spectacular experience."(99pts JK)

Pauillac

hs, lbsl, excellent color and condition (Wines Located in New York)

"On cue, it was one of the best bottles of this wine that I have ever had, and the first one in a while that hit outstanding territory. It had a great nose of pencil, nut, carob, musk and good' barn, you know, when you're in there with the farmer's daughter lol. The palate was creamy, clean, long and balanced. This was young and fresh for 1970, and it reminded me that drinking Bordeaux is always best when it's older."(95pts JK)

The blend for Peter Michael's Les Pavots proprietary red wine varies year to year, but the composition usually includes at least 70% Cabernet Sauvignon, 5%-15% Merlot, and 5%-15% Cabernet Franc. Sixty percent new French oak casks are utilized. "Any Bordeaux lover would be thrilled to have either of the 1989 or 1990 in his or her cellar. Both wines reveal an opaque purple color, with the 1990 slightly more inky. Both wines are also exceptionally endowed, backward, rich, full-bodied, and crammed with fruit. The 1989 possesses a huge finish, with more noticeable tannin than in the 1990. Picking a favorite between these two fabulous examples of their respective vintages is - for me - presently impossible."(96pts)

- 1476 Chevalier Montrachet - Vintage 2002**
La Cabotte, Bouchard, Pere et Fils
(Wines Located in New York)
"The 2002 Bouchard Pere et Fils Chevalier Montrachet 'La Cabotte' was a whole new ballgame. The 2002 was much more wound with divine minerals rippling through the nose. Smoky and lightly toasty, the wine had pineapple fruit slowly emerge with pinches of anise and rainwater. Elaine called out 'apples' clearly and correctly. It was my kind of nose, more about the earth than the fruit. The palate was flat out fantastic, long with great acidity and a spicy, spiny finish. The wine was rich and loaded with lots of yellow fruit bullets, dried yet somehow ripe. Streaky in a good and intense way, the 2002 stayed spectacular on the palate, and the acidity kept exerting itself like a boa constrictor trying to suffocate my nostrils. I saw the Montrachet here, as this vineyard sits right on the border of Montrachet and hence its special status."(96pts JK)

Sauzet
nl (Wines Located in New York)
(made from purchased must sourced from Domaine Thnard, whose vines are on the Chassagne side of the appellation) This is quite similar to the wine from 750 ml though it has changed somewhat. Brilliant green tinged gold color with somewhat more accessible aromas of cinnamon, honey and lemon followed by flavors that are quite firm though they have now lost their initial youthful edginess. It's the quality of the finish though that really forcefully communicates that this is far from an ordinary wine; it's both subtle and discreet yet remarkably complex -in short, breed personified. Classic young Montrachet in style that is riveting in its own fashion and the quality of the underlying material is undeniably superb and it will take at least a decade before this really starts to come into its own and it should last for another decade. Monfortino Riserva, G. Conterno
(Wines Located in New York)
"The 1993 is generally considered an unimportant vintage, but Roberto feels that it will be regarded differently in time. Wheels called 1993 in Piedmont the equivalent of 1980 in Burgundy in that people trashed the vintage, but in the end it turned out great. There was a hailstorm that limited quantity and put a black cloud on the 1993 vintage. The nose was fine and elegant with spearmint, cherry fruit and licorice. 'Dolce and elegante,' Roberto cooed. It was incredibly classic by Barolo standards with its tar, smoke, leather and asphalt and indubitably a beautiful wine, fine and smooth. The elegance and finesse to its style and length were intoxicating. I have to agree with Roberto that 1993, at least for Monfortino, is an outstanding vintage."(95pts JK)

1x12 bottle ocb (Wines Located in Hong Kong)
"The purity, elegance and sheer beauty of this wine is frankly difficult to adequately describe as words just don't seem up to the task. There is nuance after nuance among the brilliantly delineated aromas of white flowers, citrus, wet stone and rose blossoms that perfectly complement the focused and laser-precise medium full flavors that are like rolling liquid rocks around in the mouth. There is a barely contained intensity and one can sense the slow build from the mid-palate to the explosive finish that goes on and on..."(98pts BH)

"Boasts a dense plum/purple color, a sweet, smoky perfume of melted caramels, blackberries, cassis, cedar, spice box, and hints of graphite, toffee, and oak, an expansive, rich, full-bodied personality, and beautifully integrated tannin. Even though it is 100% Cabernet Sauvignon, it tastes like it could have come from the tenderloin section of Pomerol."(95pts)

elegant and sophisticated in all of Nuits, it has produced
a gorgeously elegant red berry fruit nose suffused by an

stunning if structured length. This is an intensely

Leroy 5lbsl (Wines Located in New York)
"As I'm fond of pointing out, no other producer in Burgundy serves their Clos de Vougeot after their Richebourg and while the 2000 was perhaps the finest I have ever tried chez Leroy, the 2001 may very well be just as good. Much less austere than usual with explosive aromas of subtle toast, dried herbs and obvious earth notes that combine with big, robust,
- fantastically intense full-bodied flavors that deliver unbelievable concentration. This is thick and textured and comes across as a very serious, indeed brooding effort and as impressive as all of these attributes are, it is the length that defines this wine more than any other. It's as if it just won't quit and again, I had to pause before continuing. It doesn't quite have the complexity and refinement of either the Richebourg or the RSV but for raw power, they cannot match this Clos de Vougeot. A great effort."(94pts BH)*

"The color is a dark purple, and with coaxing, the super ripe nose of cassis, licorice, minerals, and spices has begun to emerge. This full-bodied, tannic wine was aged in 60% new oak casks. It possesses copious quantities of

Classic lead pencil, cassis, kirsch, cedar, and spice characteristics are abundant in both the nose and full-bodied flavors. The tannins are still there, and, at least from my cellar, this 1982 does not appear to have changed much in the last 10-12 years."(95pts)

Ibn, 2ts, 3nl, 1lta (Wines Located in New York)
"It was time to rock with the 80s, beginning with the 1985. The 85 had a charming nose with nice musk and a sweet, caramel glaze. Chocolate, honey and graham cracker emerged as sexy secondary aromas, all able to speak on a platform of cassis underneath. The palate had cassis and chocolate with twists of wood and kisses of citrus. Gorky keenly observed, the style is so evident in all these wines."(92pts JK)

Imposter McCoy
(Wines Located in New York)
"I have already wolfed down two bottles of the 1997 Imposter McCoy (529 cases) with equally voracious friends. A thick, juicy, massive Syrah, it gushes copious quantities of licorice-infused blackberry fruit offering smoke, coffee, and meaty notes. The wine is mouth-filling, teeth-staining, and loaded. Its high alcohol (15.3%), glycerin level, and low acidity make it easy to drink, but I suspect it will age easily for 10-20+ years."(96pts)

"The inky/purple color is followed by an extraordinarily intense nose of Crème de cassis intermixed with blueberry and floral notes. As the wine sits in the glass, aromas of meat, plums, and cola also emerge. It is a seamless effort with sweet tannin, well-integrated acidity, sensational extract, and layer upon layer of blackberry and cassis fruit that stain the palate and fill the mouth. Its harmony, freshness, and remarkable length (the finish lasts nearly a minute) suggest an all-time classic."(99pts)

"The massive 1994 is unquestionably the finest Dow I have tasted since the 1977. This opaque purple-colored wine is not as developed or flamboyant as Fonseca, but it is super-concentrated and multi-layered, with huge masses of fruit and some tannin in the finish. This is a slightly drier style than Fonseca or Graham's, but it appears to be a classic, majestic, enormously constituted 1994 that should age effortlessly for three decades or more. It is one of the stars of the vintage."(96pts)

It reveals the classic Lafite bouquet of red and black fruits, cedar, fruitcake, and tobacco-like aromas. In the mouth, this medium ruby/garnet-colored wine displays a delicacy of fruit and sweet attack, but subtle, well-defined flavors ranging from tobacco, cigar box, cedar, and fruitcake. This is a savory, soft Lafite-Rothschild that is pleasing to both the intellect and the palate. Anticipated maturity: Now-2018."(91pts)</i>

Aromatically revealing spicy yellow fruits of exquisite ripeness, this is a medium-to-full-bodied, powerful, and explosive wine. Copious quantities of spicy bergamots, flowers, almonds, perfume, caramelized minerals, and tropical fruits can be found in its layered, velvety texture. Renou was somehow able to marry 1997's awesome density and depth of fruit with virtually perfect levels of acidity, creating a blockbuster-sized wine of great equilibrium and freshness. Massive and multi-layered, with huge richness and low acidity, it is about as unctuous as a young Latour can be. It could be compared to the 1982, but it may be even more pure, at least at this early stage, than that monumental wine. "Bright medium red. Pungent aromas of wild strawberry, minerals, spices and pepper. Not a fat wine but classy and suave, with terrific peppery, mineral lift in the middle palate. With aeration, this classically dry wine showed a stronger soil component and mounting power. Finishes with superb breadth and an impression of weightlessness. I might have initially mistaken this for the RSV-and vice-versa-had I tasted these blind, but this is ultimately the more powerful wine."(93+?pts IWC)

"...phenomenally dense and muscular It is immune to oxidation! Moreover, it has a level of concentration that represents the essence of the Mouton terroir as well as the high percentage of Cabernet Sauvignon it contains. Cassis,cedar, spice box, minerals, and vanillin are all present, but this opaque black/purple Pauillac has yet to reveal secondary nuances given its youthfulness. It exhibits huge tannin, unreal levels of glycerin and concentration, and spectacular sweetness and opulence. Nevertheless, it demands another decade of cellaring, and should age effortlessly for another seven or eight decades. I have always felt the 1982 Mouton was perfect, yet this immortal effort might be capable of lasting for 100 years! The fact that it resists oxidation is a testament to just how youthful itremains, and how long it will last."(100pts)

"Tasted three times since bottling, the 1996 Lafite-Rothschild is unquestionably this renowned estate's greatest wine. As I indicated last year, only 38% of the crop was deemed grand enough to be put into the final blend, which is atypically high in Cabernet Sauvignon (83%). This massive wine may be the biggest, largest-scaled Lafite I have ever tasted. It will require many years to come around...the wine exhibits a thick-looking, ruby/purple color, and a knock-out nose of lead pencil, minerals, flowers, and black currant scents. Extremely powerful and full-bodied, with remarkable complexity for such a young wine, this huge Lafite is oozing with extract and richness, yet has managed to preserve its quintessentially elegant personality. This wine is even richer than it was prior to bottling. It should unquestionably last for 40-50 years."(100pts)

Monte Bello
2lbsl, 2lscl (Wines Located in New York)
"Along with the Dunn Howell Mountain and Château Montelena 1985s, Ridge's Monte Bello is among the most backward wines of the vintage, but it is so promising. I do not intend to touch another bottle before 2005 - it is still that youthful and closed. It offers a good education in what great young wine is all about. The beautiful ruby/purple color exhibits no signs of age. The sweet nose of cassis fruit, lead pencil, flowers, and minerals is followed by a full-bodied, opulent wine with a boatload of tannin. This huge, massive yet well-delineated and focused wine should prove to be uncommonly long-lived."(94pts)

"This wine has always offered an opulent, rich, concentrated, glorious mouthful of Pomerol. Although there was considerable amber at the edge, this bottle exhibited loads of fruit, as well as a sweet, glycerin-dominated mid-section. With a complex, truffle, coffee, mocha, chocolatey, black-cherry-scented nose, this exotic, fat, ripe Latour a Pomerol remains one of the vintage's great successes."(93pts)

Pauillac

"...phenomenally dense and muscular It is immune to oxidation! Moreover, it has a level of concentration that represents the essence of the Mouton terroir as well as the high percentage of Cabernet Sauvignon it contains. Cassis,cedar, spice box, minerals, and vanillin are all present, but this opaque black/purple Pauillac has yet to reveal secondary nuances given its youthfulness. It exhibits huge tannin, unreal levels of glycerin and concentration, and spectacular sweetness and opulence. Nevertheless, it demands another decade of cellaring, and should age effortlessly for another seven or eight decades. I have always felt the 1982 Mouton was perfect, yet this immortal effort might be capable of lasting for 100 years! The fact that it resists oxidation is a testament to just how youthful itremains, and how long it will last."(100pts)

Rich, creamy and meaty, its palate had vitamins and the most power of the flight so far. A touch of animal rounded out this earthy and robust wine. 2410 Châteauneuf du Pape - Vintage 2003

cuvée de Mon Aieul, P. Usseglio

1x12 bottle ocb (Wines Located in New York)

"Has a dense purple color as well as a glorious nose of blackberries, licorice, smoke, and some roasted meats and dried herbs. Amazingly opulent, even voluptuous, with extraordinary purity, a huge tactile impression on the palate, but not heavy by any means, this is a stunning Châteauneuf-du-Pape from ancient vines made with 95% Grenache and the rest Cinsault and Syrah. Production is about 8,000 bottles, and the wine is bottled after spending its entire life in epoxy-lined tanks, so what one gets is the essence of the three separate terroirs it comes from Les Serres, Guigasse, and La Crau."(97pts)

2414 Krug Vintage Champagne - Vintage 1996

(Wines Located in New York)

"Remarkably perfumed nose projects an exotic bouquet of deep, leesy yellow fruit, minerals, honeycomb, smoked meat and flowers, with Asian spices building expanding in the glass. Almost painfully concentrated, offering a surreal parade of orchard and pit fruits, smoked meat, toasted brioche and marrow braced by intensely salty, stunningly incisive minerality. Imagine a Frankenstein's monster of Chablis Le Clos and Clos Ste. Hune-but one with perfect balance, of course-and you get an idea of what I found in my bottle. The energetic, stony character builds exponentially on the finish, which didn't seem to, well, finish. The best analogy I can come up with for the intensity, focus and clarity of this Champagne is liquefied barbed wire. Utterly hallucinatory and one of the most amazing wines I've ever been fortunate enough to drink."(99+pts IWC)

3 bottles per lot \$750-1000

2415 Philipponnat Vintage Champagne - Vintage 1999

Clos des Goisses

(Wines Located in New York)

"Green-gold. Explosive bouquet of musky yellow fruits, cherry pit, toasted grain and minerals; there's something Jura-like about this. Deep, palate-staining mirabelle, peachpit and poached pear flavors are complicated by anise and bitter cherry skin, showing excellent grip. Finishes long and spicy, with excellent breadth. Remarkably complex and singular Champagne, with as much character as any wine I've tried in a long time, from anywhere."(95pts IWC)

11 bottles per lot \$1100-1400

2416 Salon Vintage Champagne - Vintage 1996

Le Mesnil

(Wines Located in New York)

"The 1996 Salon was like the razor's edge; there was so much vim, vigor and acidity here it was like being in the eye of a storm. One could see the greatness of the 1996 vintage in the Salon, which was fresh as a baby's bottom. It was white meaty underneath that 1996 greatness; so balanced, so long, so stylish and deeply penetrating. Rob gave it 6 stars. Incredible. Pure Blanc de Blanc Le Mesnil. No dosage. It was probably the greatest young Champagne that I have ever tasted."(97+pts JK)

"Remarkably perfumed nose projects an exotic bouquet of deep, leesy yellow fruit, minerals, honeycomb, smoked meat and flowers, with Asian spices building expanding in the glass. Almost painfully concentrated, offering a surreal parade of orchard and pit fruits, smoked meat, toasted brioche and marrow braced by intensely salty, stunningly incisive minerality. Imagine a Frankenstein's monster of Chablis Le Clos and Clos Ste. Hune-but one with perfect balance, of course-and you get an idea of what I found in my bottle. The energetic, stony character builds exponentially on the finish, which didn't seem to, well, finish. The best analogy I can come up with for the intensity, focus and clarity of this Champagne is liquefied barbed wire. Utterly hallucinatory and one of the most amazing wines I've ever been fortunate enough to drink."(99+pts IWC)

"The 1999 Cristal was extra special, extraordinary in its combination of elegance and power. Its flavors were crisp, clean and intense, long and stylish with superb acidity that did not get in the way of the purity and style of the wine. It was integrated despite its extraordinary length. Its aromas of lightly toasted bread, corn and minerals danced around our table aptly with all the young ladies the Champagne seemed to attract. I love it when that happens. We danced the night away, so I was able to skip the morning workout."(97pts JK)

"This muscular, thick, unctuous, lavishly-oaked wine may cause raised eyebrows by those looking for something restrained and understated. There is no doubting the hedonistic appeal of this style of wine. The 1990 is another massive, highly-extracted, boldly-wooded, spicy, dark purple-colored wine with high tannin, low acidity, and layers of jammy fruit. The huge glycerin and massive mouthfeel in this unctuously-textured wine are difficult to ignore. I suspect this wine will become more defined after it loses its baby fat."(93pts)

*St. Estephe
 6bn, 2scc (Wines Located in New York)
 "It is made in a traditional style, so do not expect to get turned-on by lavish quantities of vanillin-scented, toasty new oak, and sweet jammy fruit. Although massive, with incredible richness and plenty of fruit, this wine is dominated by its blackcurrant, mineral, cedar character. The copious tannins are still present, but they are integrated with the wine's other components. This classic Calon-Segur is built to stand the test of time. From a half-bottle it should reach full maturity by the turn of the century and last for at least 20-30 years. This is a remarkable wine that should find many admirers among true connoisseurs."(93pts)*

"...possesses extraordinary purity and clarity. A large-scaled, massive Mouton Rothschild that ranks as one of the top four or five wines of the vintage, it may turn out to be the longest-lived wine of the vintage by a landslide. The label will undoubtedly be controversial as a relative of Sigmund Freud, Lucian Freud, has painted a rather comical Zebra staring aimlessly at what appears to be a palm tree in the middle of a stark courtyard. I suppose a psychiatrist could figure out the relationship between that artwork and wine, but I couldn't see one. "The 2004 Sori San Lorenzo is a drop-dead gorgeous wine. It presents awesome balance, especially in the way it marries power with elegance. This is a remarkably refined and understated Sori San Lorenzo, with never-ending layers of dark raspberries, licorice, grilled herbs and tar that flow from its sumptuous frame. A dark, brooding beauty, it will require several additional years of bottle at a minimum, but those with the patience to wait will be amply rewarded. In most vintages I prefer the Sori Tildin, but in 2004 Sori San Lorenzo has a very slight edge over its sibling. It may very well be the finest Sori San Lorenzo since the legendary 1971."(98pts)

"A 1988 Cheval Blanc had a sexy nose, also in a good spot. Pierre Lurton commented how 1988 was a very classic vintage, deep and dark in color, and that 2004 was like 1988 with more ripeness, which caused Bipin to muttersomething about Pavie that I won't repeat! Wolf appreciated its great nose and found the 88 to be a wine for Cheval lovers, for the thinking drinker. He went on to say nothing (was) overstated and admired its beautiful harmony. The wine was open and singing, Pierre picking up on some minty qualities. The nose did have gorgeous red fruits, nuts, a kiss of vanilla, caramel and a touch of earth. The palate had excellent richness, great balance and a long finish. This was an excellent Cheval all the way. As the wine developed, its breadly aromas became divine, and its nuttiness got sexier. Flavors of chocolate, meat and earth expanded on its rich palate, which was a bit rusty in a good way. Tasty and with definition, the 1988 Cheval was a real surprise to me, and its vigor held as tertiary aromas of olive, wintergreen and almost dill joined the party."(93pts JK)

"Clearly the youngest looking, most opaque and concentrated wine of the group, it tastes as if it has not budged in development since I first tasted it out of barrel in March, 1987. An enormously concentrated, massive Mouton-Rothschild, comparable in quality, but not style, to the 1982, 1959, and 1945, this impeccably made wine is still in its infancy I suspect the 1986 Mouton-Rothschild requires a minimum of 15-20 more years of cellaring; it has the potential to last for 50-100 years!..."(100pts)

"Full, deep red. Knockout smoky nose of cedar, leather, earth, truffle and game. Then rather tightly coiled and far less pliant than the nose would suggest. Strong acids contribute to this wine rather powerful structure. But I don't find the flesh shown by the best wines from this vintage. Finishes quite firm, youthfully backward and persistent."(90+?pts IWC)

"Amazingly fresh and youthful nose full of alcohol, leather, olive, and tar beefy, bloody aromas emerge with red fruits slowly seeping out of the glass great spice - hints at caramel but not quite and very, very dry aromatically incredibly dry on the palate - sandy flavors in a scuffed leather kind of way not a lot of fruit but not quite dried out long acid still do it gets yeasty in the glass gritty, long palate but a bit over dry at first, but it does start to round out and fatten up - can really appreciate the length of the wine after having the 1990 nutty flavors emerge after the food, the wine sweetened up and became very cherry, but the finish did lighten up."(93pts JK)

"Knockout nose combines black fruits, tar, mocha and humus. A hugely concentrated, sweet wine with great richness of fruit and extract. The first vintage of

Ornellaia to reach 14% alcohol, and it shows in the wine's compelling thickness. Far from the subtlest wine in the range, but ripe acidity and big, sweet tannins give it plenty of verve and grip."(96pts IWC)

"Very good wine - aromatic...creamy, chocolaty, nutty, cassis-y...excellent balance between fruit and finish...black fruits but medium-bodied...hint of licorice...a touch prune-yon the palate...came right out of the cellar so it was a little too cold not sure if it helped or hurt the wine!"(93pts JK)

2768 Heitz Cellars Cabernet Sauvignon - Vintage 1974

*Martha's Vineyard
vhs, lbsl, lscl, sdc (Wines Located in New York)*

"A monumental California Cabernet Sauvignon, it appears to have approached its plateau of maturity but should easily last for 20-25 more years. There is no rust, amber, or brown to the saturated dark purple color. The spectacular, huge, Mouton-Rothschild-like nose of mint, cassis, lead pencil, and toast is remarkably youthful. Staggeringly concentrated, this full-bodied, super-rich wine possesses moderate tannin, fresh, lively acidity, and a blockbuster, rich, fleshy finish. This is a monumental effort!..."(98pts)

"...is spectacular. I have had the wine a half-dozen or more times, and it is unquestionably opulent, sexy, flamboyant, explosively rich, concentrated, and a thrill to drink. Already gorgeous, it promises to evolve gracefully for two decades or more. The color is a healthy saturated dark purple. The spicy nose offers aromas of black currants, allspice, pain grille, and soy, with scents of a burning wood fire thrown in for additional complexity."(96pts)

2771 Château Leoville Las Cases - Vintage 1982

" This huge wine is, in many ways, just as massive as Leoville Barton, but it possesses a greater degree of elegance as well as unreal concentration. Classic lead pencil, cassis, kirsch, cedar, and spice characteristics

are abundant in both the nose and full-bodied flavors. The tannins are still there, and, at least from my cellar, this 1982 does not appear to have changed much in the last 10-12 years."(95pts)

"The 1990 reveals a dense, dark purple color, followed by a sweet, pure nose of black fruits, minerals, lead pencil, and vanillin. Broad, expansive flavors come across as rich, pure, and concentrated, but never heavy or coarse. Beautifully integrated tannin and acidity are barely noticeable in this classic, full-bodied, velvety-textured, youthful yet exceptional St.-Julien."(96pts)

Faiveley
lbsl (Wines Located in New York)
"Faiveley, who makes tiny quantities of Corton-Charlemagne from one of the best vineyards on top of the Corton hill, has made an exquisite wine in 1989. Whether it turns out to be as magnificent as his 1986 remains to be seen. Only 1,672 bottles were made from minuscule yields of only 17 hectoliters per hectare. Extremely backward, and nearly impenetrable, it does develop with 10-15 minutes of airing to reveal huge, stony, buttery, pineapple fruit flavors, spectacular concentration, glycerin, intensity, and a phenomenally long finish that lasts over a minute."(96pts)

La Chapelle, P. Jaboulet
5.75cm bc, lbsl, lstl, excellent color and condition (Wines Located in New York)
"This brilliant dark ruby/purple-colored 1979 still retains a youthful vigor. Spicy, with plenty of smoke, dried herb, pepper, and cassis fruit, this outstanding, smoky, gamy (smoked meats galore), full-bodied La Chapelle reveals some angularity and rough tannin in the finish, but all other signs are positive. While it does not possess the weight of the biggest, most muscular vintages of La Chapelle, it is an exciting wine."(90pts)

Pomerol
(Wines Located in New York)
"Bright nose with lots of expressive aromas - plum, green olives, mocha, minerals, chalk, stone, sweet cherry and a little green bean in there gets honeyed as it stays in the glass a sweet pungency without being too pungent still a little youthful on the palate flashy yet not quite fleshy lots of alcohol on the finish but not in the belly good plum and slate flavors on finish a bit tight on the palate but still all good wintry smooths out and opens up nicely."(94pts JK)

- 2836 La Tâche - Vintage 1993**
Domaine de la Romanée Conti
lbsl, lscl (Wines Located in New York)
"The 1993 DRC La Tâche is the forgotten, great young vintage of La Tâche. It really needed some time to open up, at first a bit herbal, very tight and structured. After some time, its density, balance and tannins took over, and its palate and acidity were enormous, even longer than the 99 although not as dense. Rose, iron and tea all reluctantly emerged in the mouth in this Frankenstein of a La Tâche, a Frankenstein that graduated from Harvard, that is."(97+pts JK)

Pomerol (Wines Located in New York)
"This fabulous L'Evangile rivals such recent great vintages as 1998, 1995, 1990, and of course, 1982. With aeration, the thick, unctuous, saturated purple color is followed by scents of blueberries, blackberries, truffles, acacia flowers, tar, and graphite. Full-bodied, with tremendous opulence, intensity, and purity as well as silky tannin and a long, powerful, concentrated finish, with a hint of cocoa/chocolate..."(96pts)

"...a spectacular nose of cassis, cherry liqueur, pain grille, and minerals. It is powerful and rich on the attack, with beautifully integrated tannin, massive concentration, yet no hint of heaviness or disjointedness. It is a remarkable, seamless, palate-staining, and extraordinarily elegant wine- the quintessential St.-Julien."(98pts)

- 2843 Château Leoville Las Cases - Vintage 2002**
St. Julien (Wines Located in New York)
"The wine exhibits pure black currant, licorice-infused fruit, huge body, a viscous mid-palate, and a long, heady finish. I suspect this wine won't be nearly as charming as the 2003 in its youth, but it hasn't yet closed down, and I am amazed at just how rich, intense, and full-bodied it tastes even after bottling. This is certainly one of the half dozen or so candidates for wine of the vintage."(95pts)
5 bottles per lot \$450-600
- 2844 Château Leoville Las Cases - Vintage 2005**
St. Julien
- (Wines Located in New York)*
"...is probably the greatest wine made at this estate since Jean-Hubert Delon's father produced the 1986 and 1996. Only 37% of the production made it into the 2005, a blend of primarily Cabernet Sauvignon with less than 13% Merlot and Cabernet Franc. An inky/ruby/purple color is accompanied by reticent aromatics that, with considerable coaxing, offer up subtle notes of toasty vanillin intermixed with lead pencil shavings, wet rocks, and enormously ripe, intense black cherry and crème de cassis. The wine hits the palate with a full-bodied, layered mouthfeel as well as enormous extract, concentration, and purity. This ageless, monumental claret requires a minimum of 15-20 years to approach maturity, and should last for a half century. It is about as classic a Leoville Las Cases as one will find."(98pts)

"Its ethereal bouquet of sweet black fruits, cedar, spices, flowers, smoke, and vanilla is remarkably well-formed and intense. In the mouth, there is not a hard edge to this classic wine, which is super-concentrated, soft, silky-textured, and opulent. It displays an opaque ruby/purple color, a compelling bouquet, and exquisite layers of flavor that cascade over the palate without any notion of toughness or coarseness."(100pts)

"Atypically opaque purple, thick, and juicy for this vintage, the 1998 Cabernet Sauvignon Pritchard Hill exhibits gobs of black currant/blueberry fruit interspersed with an underpinning of minerals, floral scents, and that exquisite blueberry liqueur aroma that is so much a part of this wine. Extremely full-bodied and unctuously-textured, with exceptional purity and symmetry, this exotic, powerful yet gloriously rich wine... St. Julien

2bn, 2lbsl, 2lstl, 2lscl (Wines Located in New York)

" This huge wine is, in many ways, just as massive as Leoville Barton, but it possesses a greater degree of elegance as well as unreal concentration. Classic lead pencil, cassis, kirsch, cedar, and spice characteristics are abundant in both the nose and full-bodied flavors. Les Pucelles, M. Morey
12bsl, 12hwasl, 12nl, 9tvl, 6ttl, 1x12 bottle ocb
(Wines Located in New York)
"I was impressed by Domaine Marc Morey's Puligny-Montrachet Les Pucelles' floral, orange peel and perfume-laced aromas. On the palate it soars with intense precision and definition of flavors (stones, ripe white fruits and anise) yet entralls with its richness, depth, medium-to-full body, and thick personality as well as its awesome length. If wines were to be compared to people this Pucelles would be a ballerina because of its combination of power and sublime elegance."(93pts)

- M. Niellon*
3lbsl, 3lwrl (Wines Located in New York)
"Wonderfully intense and a clear step up from the premiers crus with beautifully detailed fruit offering both citrus and minerality merging seamlessly into deep, concentrated flavors of remarkable complexity and a long, intense and compelling finish. There are those who argue that the B tard is Niellon's best wine but for my taste, in most vintages it is the Chevalier that impresses me the most. This is slightly riper than the typical Niellon Chevalier but a lovely wine just the same."(93pts BH)

"One of the candidates for wine of the vintage, this beauty has a dense purple color to the rim and a classic, noble nose of graphite intermixed with black currant, spice box, licorice, and red and black fruits. Medium to full-bodied with exceptional precision and definition, this beautifully textured wine stands out as one of the most successful wines of this irregular vintage."(93pts)

"Was even more perfumed and had a sweet cotton candy edge. It was sweet and almost tropical. Eric found the same buttered popcorn quality that reminded him of 1989. There were charcoal and mineral flavors that were expressive and possessing pop. St. Julien (Wines Located in New York)
"This wine is remarkable. It is muscular, concentrated, and classic a saturated ruby/purple color a knock-out nose of minerals, licorice, cassis, and an unmistakable lead pencil smell that I often associate with top vintages of Lafite-Rothschild. It is sweet and full-bodied, yet unbelievably rich with no sense of heaviness or flabbiness. The wine possesses high tannin, but it is extremely ripe, and the sweetness of the black currant, spice-tinged Cabernet Sauvignon fruit is pronounced. This profound, backward Ducru-Beaucaillou is a must purchase."(96pts)

Extremely fresh, green-tinged flavors of lime, mint and powdered stone. Already offers fabulous inner-mouth perfume and great complexity. Harmonious and complete, and very long and subtle on the palate. A knockout."(96+?pts IWC)

"Any Bordeaux lover would be thrilled to have either of the 1989 or 1990 in his or her cellar. Both wines reveal an opaque purple color, with the 1990 slightly more inky. Both wines are also exceptionally endowed, backward, rich, full-bodied, and crammed with fruit. The 1989 possesses a huge finish, with more noticeable tannin than in the 1990. It should have 40-60 years of positive evolution, although one suspects that much of the production will be consumed within the next 4-5 years. - 3229 Charmes Chambertin - Vintage 2005**
cuvée de Tres Vieilles Vignes, J. Roty
 (Wines Located in New York)
"From vines said to have been planted in the 1880s, the Roty 2005 Charmes-Chambertin Tr s Vieilles Vignes announces its distinction a foot away from the glass, with uncanny intensity and clarity of black fruit essences, along with ineffable mineral and animal suggestions. Tactile cinnamon spiciness, bitter-sweet herbs, and black cherry and black raspberry concentrate (fresh, yet with liqueur-like intensity, sweetness and viscosity) saturate the palate, and a dark and rising tide of mineral and carnal flavors meets the fruit and spice in a thunderous finish. There is mystery aplenty here, with the sex appeal well beneath the surface."(97-98pts)

Characterized by Boillot as "a vinous whore," this unctuous, intense, angle-free, medium to full-bodied wine will please any hedonist. The sheer aromatic breadth is continued on the gorgeously textured, suave and classy flavors that possess excellent mid-palate fat and buckets of dry extract on the opulent, refined, mouth coating and palate staining finish that goes on and on. There is a bit of pain grill that resurfaces on the finish but the concentration is such that this will be quickly absorbed. "This is the most powerful and tannic Cos d'Estournel made during the decade of the eighties. The color is still an impressive, nearly opaque dark ruby/purple. Except for some subtle aromas of toasty vanillin oak and cassis, the nose is closed and unevolved. In the mouth this full-bodied wine, which exhibits no signs of evolution, is firmly structured with medium to full-body, outstanding depth, and a hard, though not abrasive, exceptionally long finish."(95pts)

3332 Château d'Yquem - Vintage 1982

Sauternes

"The 1982 vintage, seriously maligned because of the rains that plagued the harvest in Sauternes, was actually an outstanding vintage for both d'Yquem and its nearby neighbor, Château Suduiraut, who brought in much of their crops before the rains did any damage. D'Yquem then waited until the harvest dried out, bringing in their last grapes on November 7th. The 1982 is a very forward style of d'Yquem, plump, succulent, with honeyed pineapple, peach, and apricot flavors, exhibiting some, but not a great deal of botrytis."(92pts)

Amazingly, the oak is not a pronounced component in the final wine, a testament to excellent winemaking and the concentration these wines possess. A blockbuster, powerful, concentrated Monte Bello, it possesses an opaque purple color, plenty of spicy oak in the nose (100% American oak has always been used for aging Monte Bello), and a deep, layered, concentrated style. There is plenty of tannin, but it is sweeter than that found in the 1997, and the wine is more concentrated and extracted. - 3624 Château Cheval Blanc - Vintage 1982**
St. Emilion
2bn, 2bsl, 2lwrl, 1sdc, 1ssos (Wines Located in Chicago)
"Revealing considerable amber in its dark plum/garnet color, this intensely fragrant 1982 is somewhat of a paradox in that the front end suggests full maturity, but the mid-palate, finish, and overall texture denote a closed wine. A gorgeously sweet entry displays flavors of caramel, roasted coffee, jammy red and black fruits, coconut, and smoke. It is fat and full-bodied, with considerable tannin, structure, and muscle in the finish. Flamboyantly rich and precocious early in life, it is going through an awkward stage where the tannin is present, but it is also sexy, juicy, and formidably-structured. When the 1982 Cheval Blanc's component parts become totally in sync, it will be capable of meriting a three-digit rating."(99pts)

Pauillac

"...terrific drinking since it was bottled. It may turn out to be a vintage such as 1982, which never shut down. The dark plum/purple color reveals some lightening at the edge. A big, sweet, plum, licorice, beef blood, and jammy cassis-scented bouquet with smoked herbs and new wood in the background soars from the glass. Enjoyable and accessible, this low acid, concentrated, velvety-textured wine continues to offer sumptuous drinking."(94pts)

Margaux
ts, lbsl, nl, nc, ssos (Wines Located in Chicago)
- "We transitioned to the remaining four First Growths in the next flight, beginning with a phenomenal bottle of 1982 Margaux (sourced from Château). The Margaux had a pungent nose, and its t n a jumped out at first. It also had cinnamon, iron, rock and gorgeous perfume. It was beyond licorice according to Dan, and Australian John admired its cherry liqueur. The palate was rocky without the horror but with the picture show, not its usual feminine self, Ray observed. Though spiny and long, the Margaux was still stylish with a touch of that Margaux elegance. This was a great bottle of this wine, and it ended up being wine of the flight, outshowing all the other First Growths."(97pts JK)

Pauillac
lbsl (Wines Located in Chicago)
"Clearly the youngest looking, most opaque and concentrated wine of the group, it tastes as if it has not budged in development since I first tasted it out of barrel in March, 1987. An enormously concentrated, massive Mouton-Rothschild, comparable in quality, but not style, to the 1982, 1959, and 1945, this impeccably made wine is still in its infancy I suspect the 1986 Mouton-Rothschild requires a minimum of 15-20 more years of cellaring; it has the potential to last for 50-100 years!..."(100pts)

"This year is a perfect example of a vintage that was much better for the sweet wines of Barsac and Sauternes than it was for the red wines. Yquem produced its greatest wine since the twin titans of 1975 and 1976. Medium golden, with a big, opulent, honeyed, oaky, flowery, tropical fruit bouquet, this wine is rich and concentrated, has very good acidity, a lot of botrytis, and a stunning finish. It is a great success, and it continues to evolve at a snail's pace."(93pts)
